

## MICHIGAN TEACHER AND ADMINISTRATOR EVALUATIONS 2016

Gary J. Collins  
William J. Blaha

The Michigan Legislature passed a new bill, Public Act 173 of 2015, which calls for immediate changes to the manner in which Teachers and Administrators are evaluated. To assist school districts and public school academies in understanding and implementing the new "Evaluation Act" Collins & Blaha, P.C. has prepared a new publication, *Michigan Teacher and Administrator Evaluations 2016*.

This publication is a valuable resource for all public school administrators, teachers, board members, union representatives and school attorneys who

want to know and understand the new law and court decisions that laid the groundwork for the Act.

*Michigan Teacher and Administrator Evaluations 2016* is a companion text to the next edition of *The Michigan Teacher and Tenure*. A new edition of *The Michigan Teacher and Tenure* will be published in late 2016 or early 2017. The law has evolved to the point where two separate publications are needed to adequately review the subject matter.

The *Michigan Teacher and Administrator Evaluations 2016* addresses important evaluation issues:

- Interplay between Sections 1248 and 1249 of the Revised School Code and Teachers' Tenure Act;
- Components of the Evaluation;
- Student Growth and Assessment;
- Performance Measurement Criteria;
- Impact of Effectiveness Ratings;
- Effectiveness Improvement;
- Training on Evaluation Tool;
- Classroom Observations;
- What to do starting *NOW*.
